AP COURSES:

Currently offering the following AP courses: Chemistry, Biology, and Calculus.

DUAL ENROLLMENT

High school students in grades 11 and 12 may take classes in a dual enrollment arrangement with Liberty University, CVCC, etc. for both high school and college credit. Students may take as many online courses as they wish, but only three dual enrollment credits can be applied to their high school transcript over their junior and senior year combined. A standard three credit online dual enrollment course is equivalent to 0.5 high school credits.
